

Kitchen Cupboard Door TV

The Kitchen area is the hub of the home and a Television in this space can be just as important as all other living areas. We therefore have a number of options to suit most design criteria such as our Kitchen Splashback TV (link) or our Kitchen/ Cupboard door TV shown below

Designed to replace your existing Kitchen Cupboard Door

Standard finishes are black trim with black glass or white trim with white glass. Other RAL glass colours and trim finishes are available to order.
